

THE
HOSPITAL ACTIVITY BOOK
 for children ☺
25 YEARS

HABFC
SPRING & SUMMER NEWSLETTER

WELCOME TO THE 2020 SPRING / SUMMER EDITION OF THE HOSPITAL ACTIVITY BOOK FOR CHILDREN'S NEWSLETTER!

We are officially in our 25th year of the Hospital Activity Book for Children!

The Hospital Activity Book for Children was launched in 1995, and in 25 years, over 2 million copies of this special book have been provided to children in care throughout Canada. The book is available at over 1,600 institutions, including hospitals, medical clinics and victim service units. This book is made possible by strong business and community support, so that kids can receive the book free of charge.

2020 started off strong, but come March, I think it's safe to say we all started seeing some changes in lifestyle due to the Covid-19 pandemic. We want you to know that we are thinking about you and your families during these uncertain times.

We cannot thank the numerous businesses enough who have sponsored this book, and continue to sponsor, for their support over the last 25 years. We truly could not have done it without you!

Meet Greer:

This is 2-year-old Greer with a copy of the Hospital Activity Book for Children.

Her mom said: **“the book kept her mind off being stuck in a hospital room for hours waiting for tests and doctors”**

This picture is exactly why we do what we do.

From each and every one of us here at the Hospital Activity Book For Children, we hope you are staying safe and healthy and we wish you all the very best!
